Introducing Triangle Tube's innovative new warranty program

Industry Leading - Good, Better and Best Warranty Program is offered with the Instinct and Prestige

Contractors who receive the BEST level warranty, will be highlighted on the Triangle Tube website

Registration is easy on TriangleTube.com, and it will reward the quality of each installation

At Triangle Tube, our goal is to deliver the highest quality products to homeowners throughout North America. As part of our continued commitment, we confidently introduce Triangle Tube's new industry-leading Warranty Program.

This is our **ENTRY** level warranty which offers 2-years parts and 10-year primary heat exchanger warranty with your Triangle Tube Instinct or Prestige Boiler.

This is our **MID** level warranty which offers 5-years parts, 2-years labor allowance and 10-year primary heat exchanger warranty with your Triangle Tube Instinct or Prestige Boiler.

(Offered when you register the installation - provide homeowner and contractor information.)

This is our **HIGH** level warranty which offers 6-years parts, 3-years labor allowance and 10-year primary heat exchanger warranty with your Triangle Tube Instinct or Prestige Boiler. Your business will be added to the "find a contractor" section on the Triangle Tube website and highlighted as receiving the **BEST** warranty from the Triangle Tube Warranty Program.

(Offered when you register the installation - provide homeowner and contractor information, plus upload a photo of the combustion readings from your combustion analyzer.)

*Terms & Conditions of Warranty can be found on our website, TriangleTube.com
